

**A: Leaders in our society and our communities –**

Match the following; (*the first one is given as an example* )

|          |                |          |                       |
|----------|----------------|----------|-----------------------|
| <b>1</b> | <i>Captain</i> |          | Parish                |
| 2        | Mayor          |          | Teachers and students |
| 3        | Prime Minister | <b>1</b> | Football team         |
| 4        | Head of School |          | Parliament            |
| 5        | Parish Priest  |          | Local Council         |

**B: Underline the correct answer –**

1. When we disagree among ourselves, we should remember that:

- our friends should never express a different opinion from ours
- we cannot always be right
- I should accept only my friend's opinion
- my opinion is always the most important one

2. During our PSD lessons:

- I should never express my sincere opinions for fear of my friends making fun of me
- what matters is our teacher's opinion, not ours
- there is no need for others to express their opinion; mine is enough
- I can't always be the only one to voice an opinion

3. When we are working as a group, we should remember that:

- we should attend meetings only when we are in a good mood
- we should always be punctual
- our mission is to see that our personal ideas prevail over the others'
- our favourite subjects should be given priority
