

A: This photograph was taken at Marsaxlokk Bay. On the shore one can see nets.

1. To whom do you think these nets belong? _____

2. Why are these nets used?

3. Why are these nets spread on the ground?

4. What is the relationship between Marsaxlokk and the fishing industry?

5. Why are fishermen important for Malta?

6. Mention one fishing method used in Malta.

7. Explain the difference between a *full-time* and a *part-time* fisherman.

Read: *the photo shows the Tower of San Luċjan which was built by the Knights of Saint John; the tower is in Marsaxlokk. The Knights built this tower to defend Marsaxlokk Bay from sea pirates. Today the Tower of San Luċjan serves another purpose.*

Answer the following:

8. How is the Tower of San Luċjan used today?

9. Mention one product which is sold on the local and foreign markets after being produced in the Tower of San Luċjan.
