

Read: *after defeating the Turkish Ottoman invaders, the Knights decided to build a new capital city. The Christian states of Europe began to regard Malta and the Knights as an important shield against the spread of Islam.*

Look at pictures 1,2,3,4 below and answer the questions:

1. What name was given to the new city?

2. Where was the city built?

3. Give one reason why it was built there and not somewhere else.

4. What does picture 1 show?

5. The Knights built beautiful houses and palaces in the New City. Picture 2 shows the Italian Auberge. Mention another Auberge built by the Knights in the City.

6. Picture 3 shows a hospital built by the Knights in the New City. By what name was this hospital known?

7. The plans for the auberges and hospital were drawn by:

8. The church in picture 4 was dedicated to Saint

9. Give TWO examples of how today we can protect the New City and its buildings:
