

C 4.2 Life in our Town or Village

C4.2.1

Exploring some similarities and some differences between our community and another one.

A. Preparation

Individually or in a group, with your teacher's guidance, research the village (or town) you live in.

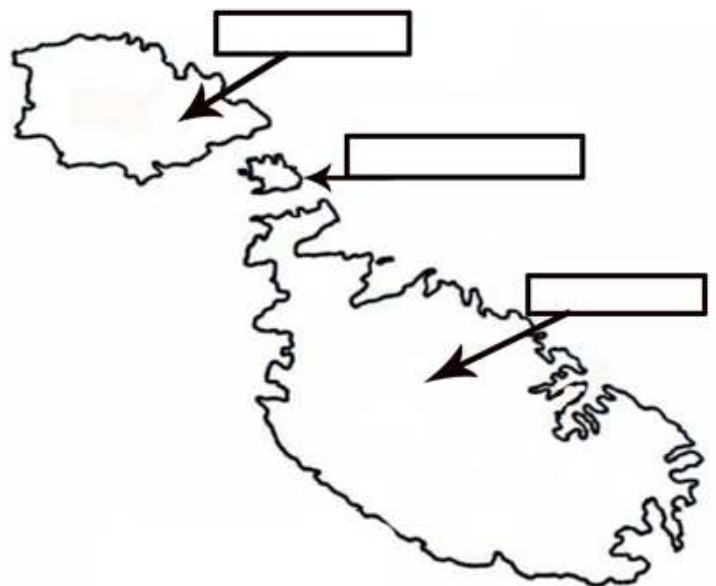

Next, research a different village/town.

Then use the same research to compare the two localities. To conduct the research you can:

- ❖ Call a friend or a relative,
- ❖ Ask questions by email,
- ❖ Look up the local council's website on the internet,
- ❖ Ask a student who is in your class but lives in another locality.

B. In the map below:

1. Write the names of the three islands in the blank boxes.
2. Mark and write the name of your town/village.
3. Mark and write the name of the other town/village you researched.

C. Building a profile of the town/village we live in

From the information gathered, build a profile of your locality.
