

G3.3.2 Suggesting ways of protecting 'a' and enhancing 'b'

A. Imagine yourself walking around your locality.

As you go along, you see the scenes below.

Tick ✓ the attractive scenes and ✗ the unattractive ones.

(1)

(2)

(3)

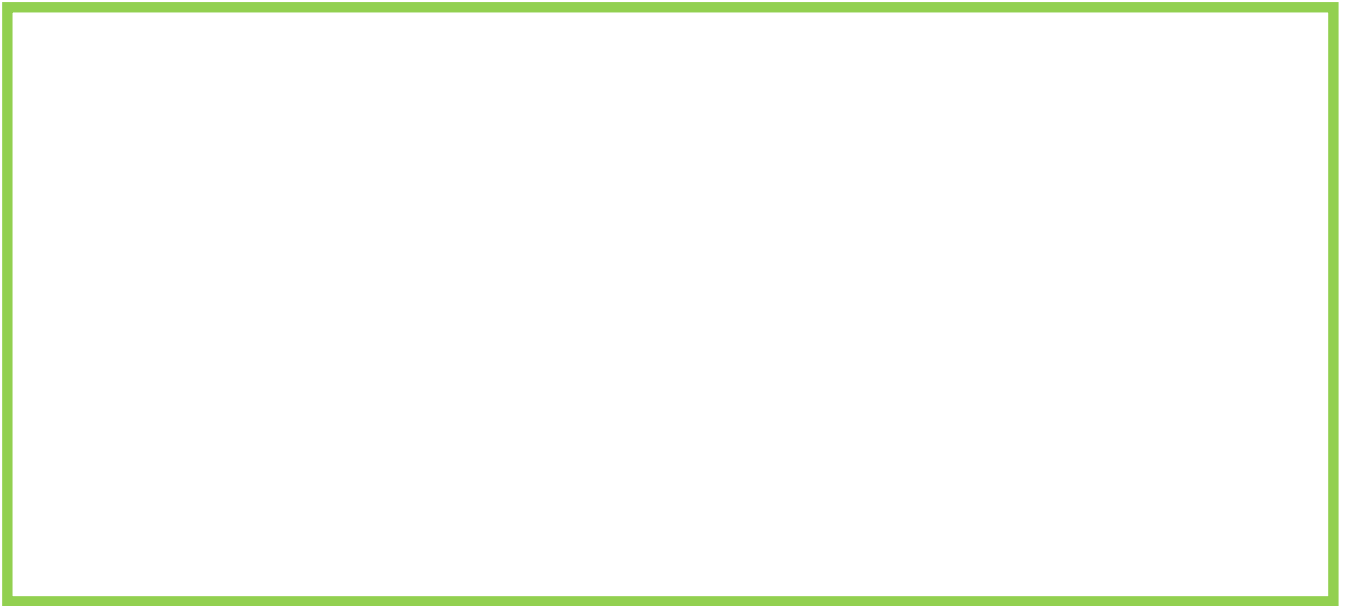

(4)

B. Write True or False:

1. I can inform the local council about damages in the playingfield. _____
2. One must never enter private fields when walking in the countryside. _____
3. Planting a plant or tree outside your house is a great idea. _____
4. You can pick a flowers in a roundabout. _____
5. Children don't know how to look after the environmentin their locality.

Ms. Claire Amato

C. Draw a public garden in your locality:

D. Write a short paragraph about this garden.

You may write its name, its street name, whether it is old or new, mention the attractive/unattractive things you find in it, what types of flowers/trees are in it etc.

Ms. Claire Amato

E. Think of a suggestion worth sharing with the local council members.

Write an *e-mail* to the local council secretary, informing him/her about your idea.

Eż.

Subject	Triq il-Lampuki's pavement
<p>Dear Secretary, I would like to report the broken pavement in Triq il-Lampuki. The damage was caused during yesterday's thunderstorm. If the pavement is not fixed immediately, the street's residents, especially old people and young children could get hurt.</p> <p>Kind regards, Marija Zammit</p>
