

S 5.2 FROM THE PREHISTORTIC TEMPLES TO THE CATHEDRALS

S5.2.4

We identify a place of worship which is still present today and carry out historical research about it.

A. Profile of the main church of my locality

N.B. This has to be researched by the students; *it would be a good idea for the students to share and compare the information they collect. It is important that we indicate the sources where the information was obtained from.*

Your Locality

Population

Type of Church

Parish church,
Basilica, cathedral

Material used the most

Limestone, concrete;

Does it have a dome?

Does it have a belfry?

When did they start building it?

When was it ready?

Stick or draw a picture of the church

To whom is the church dedicated?

When is the feast celebrated?
